Conflicts of Interests: Post-Employment  
Restrictions

1. Attached is a copy of this Agency's response to the request of the Office of Government Ethics (OGE) for designation of GS-17's and above who are to be subject to the more stringent post-employment restrictions of the Ethics in Government Act of 1978. These views are based upon your responses to OGC 79-03352, dated 11 April 1979.

2. As you will note, we have requested a conference with OGE to discuss these designations. In order to ensure our presentation of an appropriate Agency position, however, I believe it would be useful to first meet with you or your designees. For that meeting I have reserved the DCI Conference Room at 2:00 P.M. on Wednesday, 30 May 1979. If you or your designee plan to attend, I would ask that you be in contact with my secretary at extension [Redacted] with the appropriate information.
